Other comments on the Evaluation

1ST EVALUATION OPPORTUNITY (JANUARY)

Final Delivery - Tuesday 16 January 2024

2ND EVALUATION OPPORTUNITY (JULY)

Consult dates at: http://belasartes.uvigo.es/gl/docencia/exames/

Students must present the same number of projects according to the same parameters that were transmitted during the course of the course. It must be based on the same type of thematic content, objectives to be achieved and development methodology, stipulated during the teaching of the subject.

The three projects will be carried out again and delivered individually by each student, regardless of whether during the teaching of the subject, in the 1st term and until the call (January), any of them were carried out in a group. That is to say, they must consist of a completely different work from the one carried out and handed in at the 1st Call (January).

It will not be possible, therefore, to re-submit any work already assessed (either positively or negatively) in the 1st call (January), being obligatory to re-submit all the work required for the July call.

This work must be done, until the date of the July exam, under the supervision of some or all of the teachers of the subject and, therefore, the teachers must know the process of carrying out this work and know that it will be presented as a result to be assessed in the July exam. Students must maintain contact with the teachers involved during the stipulated tutorial timetables.
