Other comments on the Evaluation

So as to pass this subject, the student must obtain at least 25% of the total mark in those aspects that are NOT part of the final exam. With regard to the final exam, the student must pass both the written and oral parts.

The parts of the subject passed in the 1st opportunity will not be subject to assessment in the 2nd opportunity, and will therefore be considered passed in that academic year.

In order to facilitate the reconciliation of work life and academic training, the contents, planning, methodological resources and evaluation system will be adapted for the students of the "bridge" course, guaranteeing, in any case, the achievement of the competencies and learning outcomes in this document. A specific folder is opened in the Moovi platform in which the evaluation tasks and tests that will guide the development of this subject for the students of the "bridge" course or practicing professionals will be reported.

Exam dates: Consult the faculty website under the menu Exam dates.

Students will have personalised attention, both in tutorial hours and in small-group classes.

In coherence with the inclusive character that defines the Faculty of Education and Social Work, this guide may be adapted to meet the specific educational support needs of students enrolled in the PIUNE program (PAT).
