Other comments on the Evaluation

Non-presential, with a final exam that may include theoretical and / or practical contents through questions that may be type tests, short, development, or practical cases. This test is aimed at evaluating the comprehension of the concepts acquired in the subject, assuming 100% of the grade, and will evaluate in addition to the concepts of the subject, the clarity in the exposition and the correct grammatical and orthographic use in those parts that They require it.

- On-site, the concretion of the activities will depend to a large extent on the number of students, the means to work in groups, etc. These continuous evaluation tests will be aimed at assessing the activities carried out by the student during the development of the classes, which will assess the correct performance of the tasks entrusted, which may consist of the

resolution of questionnaires, case studies, works Individualized or in group, and the realization and oral presentation of works of some subjects agreed with the teacher. In this block of qualification face-to-face it will be possible to assess the student's participation.

- The specific characteristics of the final exam, both in the face-to-face (July) and non-face-to-face assessment, will be detailed by the teachers of the subject (in class and through the Tema platform) Within the legal deadlines established by the University of Vigo.

- The students to pass the subject must obtain by one or another evaluation system a score equal to or higher than 5 points, being obligatory in all cases to pass the final exam (or partial if offered).

- In all exams it will be compulsory to be officially identified (DNI, Passport or official substitute document) and it is forbidden to hold mobiles, smartphones, or any other electronic device, even if these are turned off or at rest. Failure to comply with these two conditions will invalidate the call to which you are attending.

- The dates and times of the tests of evaluation of the different calls are those specified in the calendar of tests of evaluation approved by the Center Xunta for the course 2017-2018. In the case of conflict or disparity between the dates of the exams will prevail those indicated in the web page of the FCETOU.
